

# Using a touchscreen - Learning guide

This session is a blend of a Learn My Way course, online practise activities and handouts. You do not need to register onto Learn My Way to access this course.

## Resources:

- A touchscreen device
- [Learn My Way course: Using a touchscreen](https://www.learnmyway.com/courses/using-a-touchscreen) - <https://www.learnmyway.com/courses/using-a-touchscreen>
- Words with friends (app)
- Candy Crush (app)

## LEARN

- How to use the touchscreen and different types of touch (tapping, pinching, holding, etc.).
- How to unlock the device.
- How to rotate the device/display.
- What apps are and how to open them.

## DO

- Have the Learn My Way course pre-loaded on the touchscreen device.
- Practise using the touchscreen with the Words with friends app or Candy Crush app.
- After that you can start the course. If you are struggling you can keep using the practise activities.
- Open the camera on the device and take a photo. You could even look into how to rotate the image and zoom in/out.

## REFLECT

How did you find the session? Can you remember how to do certain things? (e.g. move between screens, select something, zoom in).

## NEXT STEPS

Use Words with Friends or Candy Crush to practise further.

**Tip:** Practise makes perfect! There are lots of different apps you can download to perfect your skills. Take a look at the app store and explore.
